

15 FiCAS Active Crypto ETP is the world's first actively managed Exchange Traded Product featuring cryptocurrencies as the underlying asset class. The investment product allows retail and institutional investors in Switzerland, Liechtenstein, and in the European Union to invest in digital assets as safely and easily as buying ordinary shares. The product is issued by Bitcoin Capital AG and managed by FiCAS AG, the Swiss based crypto investments management boutique. Its investment objective is to increase the Net Asset Value of its ETP by trading Bitcoin against carefully selected altcoins (top 15 coins) and moving to Fiat when this is deemed the best option. The allocation is discretionary and based on in-depth investment research, technical and fundamental analysis. 15 FiCAS Active Crypto ETP provides investors access to a diversified, discretionary managed and liquid crypto portfolio. 15 FiCAS Active Crypto ETP is actively risk managed and operates in a regulated and secure environment.
